

Anno 2014

Istituto Nazionale di Fisica Nucleare >> Sua-Rd di Struttura: "Trento Institute for Fundamental Physics and Application (TIFPA)"

Parte III: Terza missione

QUADRO I.0.a

I.0.a Descrizione della mission dell'Ente e delle principali attività condotte, incluse quelle di terza missione

TIFPA was formally instituted by a multi-lateral agreement in 2013. The Institute started its operations in 2015. Therefore, while included in this evaluation, it has no 3M activities during the period 2011-2014 although the period 2013-2014 was useful to put in place the infrastructure.
